

## We're looking for volunteers for our new Tree Planting Volunteer Cohort!

Interested in planting trees throughout the year with Trees Matter? We need folks who can help us plant trees at elementary schools through our Trees for Schools Program, and other plantings!

**New to planting trees? No problem, we will train you!**

Our Volunteer Cohort is a commitment for volunteers, but with great rewards--such as gaining knowledge on the proper way to plant a tree, working with students to beautify their campus, and taking ownership of being involved in a special group!

There are a few requirements for the Volunteer Cohort:

- Must be free on weekdays, during the daytime
- Must be physically able to dig, lift, etc.
- Must be able to transport oneself to the planting location
- Must be 18 years or older
- Must have a fingerprint clearance card (*if you don't have one, you can still apply!!--As long as you receive your card before the first planting date in late April 2019*)
- Must be excited and enthusiastic to work with kids, and be a reliable, responsible volunteer

To apply for the Volunteer Cohort, email [volunteer@treesmatter.org](mailto:volunteer@treesmatter.org) with your interest, and our Volunteer Manager will contact you with the next steps.
